- Goulburn-Murray Water accepts payment by cheque or credit card.

Protecting your privacy Goulburn-Murray Water (G-MW) protects your privacy by collecting and handling your personal information in accordance with the requirements of the Information Privacy Act 2000. Your personal information is collected on this form under the provisions of the Water Act 1989 and will be used for the purpose of administering this application and updating the Victorian Water Register. Information collected on this form may be made publicly available via the Victorian Water Register. You may apply to G-MW to restrict public access to all or some of your personal information. Information collected is usually disclosed to staff involved in processing your application, contractors and other relevant G-MW staff. We may also disclose information relating to water usage and entitlements to other organisations were necessary for carrying out research in the public interest. Failure to provide the information sought may result in processing delays or non acceptance of your application. It may also limit our ability to be able to provide various programs or services. You may gain access to and correct your personal information. For further information please refer to our Privacy Policy at www.g-mwater.com.au or call 5826 3500 to obtain a copy of this policy

Application Check List

- Are the properties owned and operated as a single farming and financial enterprise?
- Do you understand that if you wish the properties to be recognised as separate entities after this application has been approved you will be required to make application to subdivide the property and meet the current investigation and other fees including the cost of any works which may be required under the subdivision?
- Has the application been fully completed and signed?
- Has the application fee of \$205.00 (2017/18) been attached?

Application for Amalgamation of a Piped Water District Service

Essential Background Information

You must read and understand the following information before applying for Amalgamation of Water Works Service.

- (a) Amalgamated properties will reduce total service charges payable.
- (b) Properties must be owned and operated as a single farming and financial enterprise.
- (c) I/We make this application on the full understanding that at any time in the future if the holdings are to be recognised separately a subdivision will be required and will be required to meet the then current investigation and other fees including the cost of any works which may be required under the subdivision.
